THE 1941 LION

LEO HIGH SCHOOL, CHICAGO, ILLINOIS

WE HONOR

Reverend Brother O'Ryan

DEDICATION

IN 1933 Reverend Brother Patrick E. O'Ryan arrived in Chicago to become a member of the faculty of Leo High School.

In 1935 on the completion of the term of office of the late Reverend Brother Michael S. Curtis, the subject of this dedication was chosen as Leo's third Principal.

For the past six years Brother O'Ryan has been most successful in enlarging, enhancing and solidifying the various fields of endeavor of our beloved Alma Mater.

The fine moral tone of Leo Students has been well maintained. Year after year a large group of graduates has gone forth fortified with a solid grasp of the truths of our Catholic Faith. A well-rounded program in Apologetics, Bible and Church history as well as a familiarization through daily Religious Instruction and discussion of current Spiritual problems of youth and of later life, has brought about this result. During recent years at least six Leo graduates are engaged in the duties of their sacred calling in the Priesthood throughout the Archdiocese. Others have joined various Religious orders including ten who are now members of the Congregation of Christian Brothers.

The Youth organization known as C.I.S.C.A. finds Leo an active member and through our Catholic Action Club the student body is kept acquainted with the current events of the Spiritual life of the Catholic Youth of Chicago. Each year our principal provides for a three days' Retreat, this year's having been pronounced the greatest yet.

In Scholastic, Intellectual and Cultural achievement Leo High has kept well to

. Who by his example as a Religious, his attainments as an Educator and his ability as an Administrator, has placed our beloved school on the high plane of excellence it now enjoys.

the front under the watchful eye of our leader. Each year witnesses the winning of at least ten scholarships to various Universities and Colleges. In Debate, Public Speaking, Essay contest, Art, Dramatics, School Publications, our school has ever displayed an unusual amount of talent. Our musical organization—the band—has grown three-fold and is now one of the leading groups in the city. The School library department has doubled in size to care for the ever increasing supply of the best in boys' reading.

In the physical training department of the school's program our Principal has an abiding interest. The School, besides furnishing varied facilities in every form of athletics, has in open competition made an enviable record especially since 1933. Since then Leo has captured both the Football and Basketball Championships of Chicago three times and in addition has annexed the National Title in Basketball this year.

With the foregoing summary of achievements under the auspices of Reverend Brother O'Ryan we now wish to dedicate this Volume of the "Lion" to one who has so faithfully and steadfastly kept the dignity, honor and good name of Leo High School in the front rank of the Catholic High Schools of the City of Chicago. So as a token of our appreciation we, the graduates of 1941, do respectfully name this edition of the School Annual to him who has watched over us for the past four years, has guided our steps towards the realization of our ambition and who now sends us forth to join the ever increasing ranks of Leo Men.

LET FREEDOM

RING

FREEDOM OF THE WORLD

"As Vicar of Him who in a decisive hour pronounced before the highest earthly authority of that day, the great words: 'For this was I born, and for this came I into the World: that I should give testimony to the truth. Everyone that is of the truth, heareth My voice' (Saint John XVIII 37). We feel we owe no greater debt to our office and to our time than to testify to the truth with apostolic firmness: 'To give testimony to the truth.'"

"This duty necessarily entails the exposition and confutation of errors and human faults: for these must be made known before it is possible to tend to and heal them. 'You shall know the truth and the truth shall make you free' (Saint John VIII 32)."

Extract from *Summi Pontificatus*,
October 20, 1939.
Pope Pius XII.

PART ONE

FREEDOM OF THOUGHT

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain inalienable rights, that among these are Life, Liberty and the Pursuit of Happiness."

—Declaration of Independence.

"We, the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare and secure the blessings of liberty to ourselves and to our posterity, do ordain and establish this constitution for the United States of America."

—Preamble to the Constitution of the United States.

MOST REVEREND SAMUEL A. STRITCH, D.D.
Archbishop of Chicago

VERY REVEREND MONSIGNOR PETER F. SHEWBRIDGE

Founder of Leo High School

*Our
Principal*

REVEREND BROTHER PATRICK E. O'RYAN
1935—1941

To the Graduates of 1941

Dear Graduates:

You have been privileged to spend four years at Leo. You have lived in an atmosphere of serious academic endeavor. An honest effort has been made to inculcate those principles of religion and morality that characterize the perfect Christian gentleman. Courses and equipment to prepare you for the future have been placed at your disposal; facilities for clean, healthful recreation have been afforded you. In varying degrees of success you have measured up to the high standards required of you. Your influence for good has been outstanding and has exercised a fine effect on the underclass men.

And now you are graduating! To your relatives and friends the day is one of great rejoicing, especially to your loyal parents, who have made so many sacrifices to give you the benefit of a higher education. You are about to embark on new experiences and to put into practice the lessons you have learned. Most of you, no doubt, will go to schools of higher learning, while a few will face the stern realities of the business world, the hard school of experience.

You leave this abode of lasting memories with the heartfelt gratitude of its Founder, Very Reverend Monsignor Peter F. Shewbridge, who ever cherishes a deep affection for Leo and who on an occasion like this feels considerable satisfaction and consolation for the many sacrifices he has made so that a Catholic High School education may be available to many boys of this great City of Chicago. To your teachers the completion of your high school course gives much pleasure even though there must be a tinge of sadness at the severance of so many ties of friendship formed during your four years of study under the care of the Christian Brothers of Ireland.

We feel confident that you have a well-ordered sense of values; that you have learned how to live rather than how to make a living. Our civilization is so busy with the means of making a living that the ends of life are too often forgotten. It is a quality of wisdom to measure all problems of time in the light of eternity, ever remembering the scriptural injunction "What will it profit a man if he gains the whole world and loses his immortal soul!"

We hear much today of the "terrible world" in which we live, sometimes oblivious of the fact that its so-called terrors are all the handiwork of men who have substituted false standards for God's benign law. This condition of things makes the need of good men more imperative. With the training that has been yours and relying on God's help, you can face the future with courage and confidence and success is bound to ensue.

"... To thine own self be true and it must follow, as the night the day, thou canst not then be false to any man."

RELIGION

The strongest motive a boy has for attending a Catholic high school is his recognition of the fact that a Catholic today urgently needs a thorough and comprehensive religious training.

A graduating senior of Leo High School may rest assured that in his interim here, everything possible has been done to give him a firm foundation of religious instruction.

In first, second, and third year, a boy has an intensive and detailed study of the commandments of God and of the Church, of the sacraments, and of the special graces of God. The latter half of third year and all fourth year are devoted to the history of the Catholic Church and to a Catholic interpretation and application of world events.

LATIN

Oft-debated as to its value, Latin is considered here in Leo as a subject which is a definite asset to anyone, no matter what his vocation in life may be. Therefore, Latin is compulsory the first two years. The freshman is trained in the rules of Latin grammar; the sophomore advances to the more complex branches of the ancient language, supplementing his study with the translating of Caesar's Gallic Wars.

Leo High has courses in third and fourth year Latin for those who plan to enter a profession. These consist of the study of Cicero's Orations and of Virgil's Aeneid.

FRENCH

French is offered to juniors and seniors, and this modern romance language is quite popular among boys seeking business careers and social contacts. The second-year French class combines entertainment with education by subscribing to the weekly French newspaper "L'Amerique."

SPANISH

The Spanish course in Leo, similar to the French, is intended to give one a solid foundation upon which may be built a fluent knowledge of the language.

Knowing Spanish is especially valuable to anyone hoping to be a civil engineer, particularly in these days of "pan-Americanism" and "good-neighborliness."

HISTORY

History is studied here at Leo from a Catholic standpoint. World events, past and present, are interpreted to their conformity, or non-conformity, with Christian principles.

The compulsory, or prescribed, courses in history are the study of modern, or world history in second year, and American History and Government in fourth year. For those wishing to major in the subject, Irish History is available in fourth year.

ENGLISH

English, as taught here in Leo, is classified into two separate studies. The one, "English in Action," has for its object the ability of each and every student to read and write properly, spell and punctuate correctly.

The other study included in the English course is that of literature, English, American, and a bit of classical. This branch of English is intended to acquaint the student with the worthwhile authors and their works.

MATHEMATICS

Under the firm and able guidance of a scholarly faculty, the Mathematics Department at Leo High School opens to engineering aspirants and future businessmen, a complete course in methesis.

The four-year course offers Elementary Algebra to the freshman. In the second year the student finds mental exercise in Plane Geometry. In his third year the student takes Advanced Algebra for one semester and Plane Trigonometry the second, while the Senior may take Algebra III and Solid Geometry.

The large number of Leo graduates who have won scholarships and distinguished places in the various colleges and universities, attests to Leo's high standard of scholastic excellence.

GENERAL SCIENCE

Your environment has undoubtedly been a source of awe-inspiring wonder to most of you. How do flowers and grass grow from things called seeds and how are objects in nature made useful to man? You have no doubt pondered often over similar puzzling questions.

Leo High School feels a well-founded pride in its well-equipped Science Laboratory and in the excellent work done by its teachers. First-year students who desire knowledge in science may continue their scientific studies in Physics in their third year.

This course in General Science is the first of the scientific studies which have proven most popular at Leo.

PHYSICS

Physics, the second of the sciences studied at Leo, is the fascinating examination of the physical forces, electricity and mechanics that play such an important part in the machine-crazed world of today.

The mechanics of the automobile, the intricate and brain-teasing questions about falling bodies, and the bewildering though amazing tricks of electricity have always aroused the curiosity of thinking people—people who have an interest in the wonderful implements and instruments that God has placed on earth.

The physics laboratory at Leo High School would bring joy to the heart of any prospective physicist, engineer or mechanically-minded young man.

CHEMISTRY

In his fourth year, the science student will probably find chemistry the most engrossing of all his studies. Test tubes, multi-colored flames, bright colored compounds and solutions make the laboratory periods extremely interesting; while in the class periods, the student studies the theoretical results of the coming experiment. The actual experimentation holds a suddenly adult fascination for most students. The suffocating odors and stained hands become only a routine part of this most interesting of subjects which is invaluable to future engineers.

The Leo High School chemistry laboratory is a well-equipped and efficiently supervised hall of learning. Ample equipment and chemicals, coupled with an understanding of the subject form an unbeatable combination.

ART

Mere man can never duplicate or create beauty such as the God-made magnificence that exists in nature, but he may try to preserve copies or pictures of this beauty by drawing and painting, that those not artistically inclined might share with him God's gift of displaying beauty.

MECHANICAL DRAWING

Mechanical Drawing is a most important subject for young men who wish to have near perfection in the planning and drafting end of engineering. The skill and precision needed for success in the engineering field are exercised, polished and perfected in this course.

The best in boys' reading under the guidance of an experienced Librarian.

BOOKKEEPING

Bookkeeping combines the use of the regular text book with a series of practice sets. These practice sets are duplicates of those actually used in the business world today. The student handles regular business papers, such as checks and currencies, he makes entries daily and at specified intervals must balance his books. Aside from the fine business training bookkeeping affords, it is an interesting subject and is conclusive to thought.

COMMERCIAL ARITHMETIC AND COMMERCIAL GEOGRAPHY

Commercial Arithmetic and Commercial Geography each occupies a half year. Arithmetic is taken in the first half and Geography in the second. Commercial Arithmetic reviews the early mathematical lessons every student learns in grammar school, then advances to teach a swifter and more practical way of solving business problems. Through the medium of Commercial Geography the student learns to identify various products on the market today, with the location of their origin, and incidentally learns the tremendous natural wealth of his country.

TYPING

The first lessons in typing are devoted to the task of acquainting the student with the important parts of his machine and limbering up his fingers for the typing of the first elementary exercises. As the student progresses he is given more advanced assignments to do and slips easily into a scheme of work that will be expected of him in the business world.

SHORTHAND

To learn the shortest possible way of writing the rapidly spoken word, might well be called the object of the Shorthand course. Dictation is given, the student must copy it in shorthand, then transcribe into longhand. As the speed of the student increases, more rapid dictation is given, and the student finishes the course with a fine talent for doing his work not only swiftly but accurately.

CISCA

Chicago Inter-Student Catholic Action might be described as a mutual bond of love of Christ among grammar schools, high schools and colleges which indirectly influence thousands of students.

Its main purpose is to make Christ the inspiration of all social, cultural and religious undertakings. Cisca provides confidence for the youth of today; confidence to rebel against modern standards. To understand the work of Cisca it is only necessary to mention the activities that each division of Cisca fosters.

The Eucharistic-Our Lady Committee promotes frequent Communion, mental prayer, retreats, spiritual readings and a thorough knowledge of Catholic liturgy.

Parish and diocesan loyalty, missions and loyalty to the Pope, are included in the scope of the Apostolic Committee. Not only do missions of the United States receive attention but also those of Europe. Those in China and India are cared for especially.

The Literature committee promotes the cultural phase of Catholic Action. Much time and energy is expended in the distribution of Catholic literature. An intelligent interest in the Catholic Literary Emergence is fostered.

Such undertakings as relief to the needy in homes, in hospitals and institutions, Braille, study clubs along with activities pertaining to citizenship, patriotism, the motion pictures and international peace abound.

At the present time, Student Catholic Action is somewhat localized, yet in the days to come Cisca will be spread throughout the diocese, the nation, the world.

At Leo C.I.S.C.A. is an active organization which is directed by the painstaking and very capable Moderator, Rev. Br. E. P. Mulvany.

W. Nagle*

Catholic Action, the co-operation of the laity with the Clergy in the dissemination and the support of Christian principles, plays an extremely important part in the life of every Leo student.

The Catholic Action Club, working hand in hand with the organization known as Chicago Inter-student Catholic Action (C.I.S.C.A.), has succeeded in bringing before each Leo-ite an idea of his duties in the advancement of Catholicism. Organized just this year the C.A.C. meets once a week for a period of discussion upon topics of current Catholic interest. Consisting of fifteen active members, the club is under the capable direction of Reverend Brother E. P. Mulvany.

Approximately once every three weeks a general assembly is held at which some member of the Club officiates. These general sessions are meetings at which those who are not active "Cathactioners" can speak their minds upon the topics which have been under discussion in the Club.

We feel that with the inception of a Catholic Action Club this year, we of Leo have made a long step in the direction of our ultimate goal, which is a higher conception among the students, of their religious duties.

CATHOLIC ACTION

Brothers' Oratory

SENIOR CLASS PROPHECY

IT WOULD be rather interesting if we could take a quick peek into a crystal ball and see just what the various Leo Lads will be doing in the future. Well, we haven't got a crystal ball but we have got imagination and we will make bold enough to indulge in a wee bit of predicting. Please bear in mind that these forecasts were written half way through a nightmare and should not, therefore, be taken too literally.

Well, in first place, we prophecy that Batts Battershell will take his sax with him out to the steel mills where he has been awarded the position of Lord High Whistle Blower. . . . Ed. Baur will go right on making bandages. . . . Bob Brady will become a teacher and will take great pleasure in batting the poor bennies who haven't got their homework. We feel quite sure that none of those fake alibis will get by him. He's used them all himself. . . . Can't you just imagine Pat Brown as the distinguished, kindly and philosophical Dr. Christian (neither can I). As for Bill Brown he will probably die after a long and bloody career on the stage as KoKo. . . . Bob Burke and Bud Dawson will end their days doing flip-flops for Ringling Bros. (With Little Chief on the bottom as usual). . . . Can you feature Moss Canning singing the male lead in Aida, wrestling, and delivering a speech, all at the same time? . . . Jim Carney will wander through life with that gigantic horn of his draped artistically over one shoulder. . . . Gige Byerwalter, if present indications mean anything, will not become a wealthy plutocrat. . . . Skippy Carroll will spend the remainder of his life with Prof. Doll at his heels trying to get last week's homework from him. . . . Considine will, no doubt, still be copying out "pages" for a certain teacher at the age of sixty. . . . Mike Conway will become a Beachcomber and mix his own Zombies. . . . Tom Delaney will set up his own thread business. He has spun so many yarns in four years at Leo about why his homework wasn't done that if they were all tied together and laid out straight they would reach from here to there and back again. . . . At the age of fifty you will still be able to find Jack Daly, Jim Mallen and Wally Hogan guzzling cherry-vanilla phosphates in the 7800 block on Ashland. . . . Bill Donne will probably be cutting up cadavers and putting lilies in their hands when he reaches middle age. . . . Bob Duffy will still be doing his best to get into Sabina without paying when he's past forty. . . . Jim Feeney will be head of the A. U. of P. T. . . . I think Fink will become "extink" due to a drink of Quink. . . . Georgie Forster will set up a matrimonial bureau. . . . Johnny Fox is trying very hard to be like Jimmy Fox. . . . Can't you just picture Gene Grant cooing gooily into a microphone, "Do you want to be attractive to men? Then use Itsy-Bitsy Corn Plasters. They come in 136 different shades to harmonize with every ensemble." . . . We don't dare tell what we foresee about Geringer, he has to take the book home. . . . Hartney will, true to form, spend the rest of his life talking. . . . Jim Higgins probably will fall asleep for good right after graduation. . . . Houlihan will set up his own bottling plant where he can make all the "Peps" he can drink. . . . Frank Kelly may not be planning on joining the Foreign Legion, but if latest reports have any foundation we think he'd better. . . . In fifty years Harry Kimball will be—still Harry Kimball. . . . Ken Kline will doubtless become a lawyer, and I think a very good one, too. . . . Jack Koss will still be working crossword puzzles. (See p. —). . . . Killer Kane is going to keep on chasing—(Buck Rogers). . . . Joe Kunka bears all the earmarks of a successful 'Bo. . . . Jim Quinlan will open up an establishment to be known as "Pierre's Chic Salon de Beaute." . . . Ed. Larson will make millions canning angleworms. . . . Bill Lundy will, in all probability, still be gazing, enraptured, at one of those Old Gold or Thos. J. Webb signboards. . . . There are no two ways about it, Guv. Murphy will have to join the House of David if he doesn't shave in the near future. . . . Howie Maack pounding a piano with a name band. . . . Jack Mandable will be the U. S. ambassador to Wake Island. . . . Randy Mason is destined by fate to be a bricklayer. . . . We refuse to predict anything about Ed. Miniati, you can be sued for printing what we foresee. . . . Tiny Tim Marcozan will be a ballet dancer. . . . Jack Meany is going to be a flag-pole sitter and don't ask us why. . . . Wimpy Moran will be doing—nothing, as usual. . . . We are afraid there won't be any future for Ray Novak if, when he goes swimming, he keeps forgetting to come up for air. . . . Jack O'Meara will achieve fame as the greatest living exponent of Shakespeare, Milton and Pope. . . . Danny O'Shea will, we predict, become the world's best hair dresser. . . . Dick Parro will make a living by writing philosophical essays. . . . Bob Pype will become a millionaire through manufacturing "Pype's Perfect Poodle Petters," devices which allow lazy dog fanciers to pet their pooch from their favorite easy chair. . . . "Lavoisier" Reed will blow himself into a thousand pieces the next time he tries nitrating glycerine. . . . Bill Ryan will open up a super-saloon. . . . Ed. Sullivan would make a good escape artist, he can wriggle out of more tight places than any ten people I know. . . . Bob Sinclair has no choice but to open up a service station. . . . Bill Thompson could be a very successful bookie. . . . Todd will become president, he thinks he knows a way to beat Roosevelt.

PART TWO

FREEDOM IN LEARNING

The greatest need of the World today is a return to the spirit, the teachings and the principles of Christianity.

It is therefore our duty as well as our privilege to study and learn these Christian principles. Having done this we should try to apply them to the difficulties of our station in life. Finally we should strive insistently and incessantly for their general application to the problems of the community in which we live and to the nation as a whole.

THIS group of young men are among the finest boys in the school. They come from all Senior class rooms. These boys have contributed a great deal toward the advancement of their own class and the fine reputation of Leo. Class officers are chosen by their fellow classmates. The President of the class is an extremely popular member of the class. It is his duty to lead his class in certain room activities. Some of these officers are leaders in sports while others form the backbone of the Leo high scholastic standards.

President - - - W. Brennan
Vice-President - - T. Price
Secretary - - - R. Fitzgerald
Treasurer - - - J. Rowan

To be elected a class officer in the Junior year is a tribute to a boy. In his two preceding years his fellow students have had a fine chance to digest his worthwhile qualities. These qualities range from amiability to dependability. Some of the boys have already come into athletic or scholastic prominence upon reaching this third year. The officers are elected by their individual home rooms, and consist of a President, Vice-President, Secretary and Treasurer.

ANY Sophomore is eligible to become an officer of his class. Having completed their first year the sophomores realize what is demanded of each student at Leo. Following an acquaintance of a year with their fellow classmates, the boys are perhaps better prepared to select their class leaders. The president is elected when he receives a certain majority of the votes cast. Then follows the election of a vice-president, secretary, and a treasurer, all chosen in like manner as the president.

First row (top): Ed. Nelson, D. Knight, V. Lorang, A. Connors, C. Mulvenna, R. McCann, Ed. Gallagher, W. Riordan, D. Murphy, E. McGrath.
Second row: B. Kennedy, J. McFall, Ed. Carney, R. Barrett, J. Grace, A. McCann, J. McNamara, J. Moran.
Third row: Ed. Hillgamy, M. Kielty, J. Kienzle, T. Broucek, M. McLaughlin, G. Vinton, W. Lemieux, D. Moss.
Fourth row: R. Hawkey, J. Heider, Ed. Whalen, J. Whelton, Ed. Moore, J. Mullarkey, J. Quealy.

Top row (left to right): J. Golden, R. Sheehy, W. Maguire, E. Kearney, R. Wall, J. Burke, J. Walsh, D. McLaughlin, E. Piper, W. Mackey, W. Will.
Second row: R. Smith, D. Moynihan, L. McCaffrey, J. Arneberg, R. Madden, J. Barlow, T. Collins, T. Loftus, J. Reiter, J. Kelly.
Third row: T. Gibbons, R. Burke, T. Rochford, R. Picard, M. Mahoney, G. Rieg, J. Moroney, G. Sheehan, J. Burns.

Top row (left to right): K. Byrne, L. Poglitsch, L. Callan, F. Andersen, Ray Schmit, Rob. Schmit, R. Coughlan, E. Connor, R. Jacob, J. Ryan, E. Parker.
Second row: J. Leuver, K. Weibel, E. McArdle, D. Coughlan, R. Tighe, J. Baadsgaard, J. Morgan, R. Miller, B. Witry, J. Gorman, W. Leonhardt, R. Corlett.
Third row: J. Mooney, F. Ryan, J. Bernal, R. Potesta, K. Wheeler, F. Smith, V. Carroll, T. Kelly, J. Pierzchalski, J. St. Ville.

Top row (left to right): W. Craven, J. Devane, W. Lee, H. Richards, B. Ingersoll, R. Murray, W. Fanning, W. Smith, M. Shine, J. Connor, J. McLellan.

Second row: E. Peters, D. Hurst, R. Danaher, E. Clare, J. Morrissey, R. Carr, J. Ryan, M. Glynn, J. Sarsfield, J. McNicholas.

Third row: M. Lachman, C. Esterhammer, J. O'Sullivan, W. Dillon, C. Riley, R. A. Kelly, G. McElligott, T. Curley, R. Baggott.

Top row (left to right): W. Sullivan, E. Sweeney, P. Neylon, J. O'Rourke, R. Cummings, B. Beggan, R. White, R. Kennedy, D. Broderick, T. Conway.

Second row: R. Kelly, D. Nist, J. Loftus, K. Lucas, A. Dahlke, J. Long, L. Hogan, T. McGrath, T. Corcoran, P. Henry.

Third row: J. Hartman, M. Hartigan, J. McAndrews, J. Berdelle, G. McNicholas, A. Waldron, J. Burns, J. Burke, J. Schofield, J. O'Brien, Wm. LaVoie, R. Prendergast.

SOPHOMORES

Top row (left to right): O. Mehigan, C. Pallardy, J. McGrath, J. Daly, D. O'Connor, R. Cronin, L. Senica, T. Moran, T. Gibbons, W. Grennan.

Second row: J. Schaller, J. Brennan, R. Horka, R. Miller, K. Mueller, T. Whetherhult, G. Bocian, D. O'Connor, A. Altenbach, F. Rozewski.

Vice-President - - - D. VanArkle
Secretary - - - T. Morrissey
Treasurer - - - E. Dawson

SCHOOL has begun and new classmates have met. Boys from all points of the city mingle and have become friends. They say "first impressions are lasting ones" and on their short acquaintance the first year boys choose the leaders of their class for the freshman year. The elections are purely the duty of the boys and the Brothers take no active part in selecting the officers.

Top row (left to right): F. Byers, J. Clark, J. Cotter, T. Driscoll, W. Dwyer, E. Feeney. Second row: R. Fovell, T. Gibbons, D. Hennessy, W. Hill, P. Kirk. Third row: R. J. Lyons, H. Moll, T. Morrissey, G. Murphy, J. Murphy, R. Murphy, R. McAvoy. Fourth row: J. McDowell, J. Nolan, W. O'Connell, T. O'Dea, P. O'Halloran, J. Phillips. Fifth row: F. Pratt, W. Quinlan, S. Rinella, D. Ryan, D. Ryan, B. Rudnick, S. Schleicher. Sixth row: P. Southman, D. Spiek, F. Sporny, T. Stapleton, R. Sullivan, J. Walsh, R. Walsh.

Top row (left to right): A. Quinn, P. Hulme, W. Hayes, R. Zeller, T. Gibbons, J. Gannon, T. Roscoe, F. Fullam, D. Schaller, E. Parker, G. McAlpine.

Middle row—K. Keyes, H. Hayes, R. Parro, J. McGuire, M. Boland, R. Connor, R. O'Connell, R. Kirk, W. Swain, J. Minehan, J. Burke.

Front row: W. Kenny, P. Southman, A. Canavan, H. Moll, L. Rybarczyk, R. Walsh, J. Durkin, D. Lynch, R. Laspisa.

SENIOR CLASS HISTORY

First Year: When this class of 1941 first entered Leo the mark of greatness was upon it. Not only did it possess a greater number of students than any previous class but its percentage of honor men was also above the average. Athletically it also excelled with some twenty-seven of its members on the lightweight football team and two regulars on the lightweight basketball team. A large number of this class were members of Leo's up-and-coming band.

Second Year: Again the class of '41 was the largest in the school while still maintaining its high honor rating. In their first year of eligibility eight sophomores were on the varsity football team. Jim Farrell was a member of the basketball team that took second place in the national tournament. Five of that class were members of the junior basketball team. Also many members of the year before returned to the band while the members of the Dramatic club increased.

Third Year: Still the superiority of numbers prevailed as the class of '41 entered the third year of study. Of the some 230 students, forty possessed the coveted honor ratings. For the first time the "Oriole" staffs were open to the class and as a result it was dominated by the best class in the school. The band members won many medals and the band as a unit was lifted into A class. The Glee club also was garnished with many members of the class of '41. The Dramatic club carried several of them also. The varsity football teams had twelve players from those large ranks of third year men. Two Leo men of third year went up to Loyola as a result of their winning the heavyweight basketball championship; in fact it was Red Kelly's 40-second basket that gained that championship. Five of this class were members of the lightweight basketball team which was defeated only in a play-off for the championship.

Fourth Year: For the first time in the history of the school the senior class was the largest of the school at the time. Throughout the year their scholastic ability was exhibited. The high honor lists, the debates, scholarships and all-around study attest this fact.

In the line of athletics the senior class was the main bulwark. The Catholic Champions in football consisted of seven regulars of the senior class backed up by over fifteen ready substitutes.

The junior basketball team, also Catholic Champs, had four members from the class of '41.

The National Catholic Champions of Leo was made up of five seniors, two juniors and one sophomore.

Several of the athletes of Leo attained places on all-Catholic and all-City teams; among these the seniors placed six members.

CLASS WILL

We, the Senior Class of Nineteen Forty-one, being of sound mind and retentive memory, do declare this to be our last will and testament before leaving Leo High School.

First: To Reverend Brother O'Ryan, who is finishing his term as principal at Leo, we respectfully tender our deepest and most sincere gratitude for the myriad efforts he extended in our behalf. We also wish him the greatest happiness possible in his future saintly works, feeling sure that God's grace will be with him.

Second: To the faculty we promise to live up to the old axiom, "The pupil always surpasses the master."

Third: To the new principal we leave as our heir the small junior, rather boastful lad, but one good at heart, whom we hope will follow observingly in our own larger footsteps.

Fourth: To Brother Hamill we bequeath a new invention by which the owner may immediately find the location of his keys.

Fifth: To Brother MacMahon we leave a total of 137 unused "points" to be presented to those students (?) who need them most.

Sixth: To Brother Burke we leave an indexed list of answers to the strangest of the questions which his future history pupils are likely to "throw" at him.

Seventh: To Brother Daly we extend our thanks for the cultivation of our musical interests at those afternoon "jam sessions" in the library.

Eighth: To Brother Mulvany we voice our appreciation for the information on human nature.

Ninth: To Brother Finch we wish an understanding of that nice theory by Einstein.

Tenth: To the future Chemistry student we suggest the establishment of a fund to buy gas masks prior to the experiment on hydrogen sulfide.

Eleventh: To the school we leave the best athletic record it or any other Catholic School can boast, namely Catholic Football, Catholic Basketball, Junior and Senior, and National Catholic Championships, all in 1941.

Lastly: To our heir, small proud Junior, we bequeath the Divine Right of Seniors which has existed as a struggling theory since long before our time.

In testimony hereto, we place our name on this our last will and testament under Leo's walls, this the fifth day of June in the year one thousand nine hundred and forty-one.

CLASS OF '41.

PART THREE

FREEDOM OF ACTIVITIES

CULTURAL, DEBATE, PUBLICATIONS, MUSIC, ART, DRAMATICS

The Christian state has not merely the right but the duty of safeguarding its institutions against subversive elements. Hence the press, the radio, the cinema, the stage and all cultural or political movements must conform to Christian standards.

Work, whether mental or manual, ought to be the fertile expression of a man's creative spirit and a development of his personality. It should be regarded not only as the social duty of every man but also his willing contribution to the common well being.

MOTHERS' CLUB

Top (left to right): Mrs. C. Rohan, Mrs. A. Hayes, Mrs. L. Eck, Mrs. M. Conway.

Bottom: Mrs. E. Kopshever, Mrs. A. Jehli, Mrs. J. Mangan, Mrs. J. Clifford.

The bright chain of cooperation is the strong metal that links the members of the Mothers' Club together. The name "Leo Mothers' Club" explains the reason for which it was founded. The women who agreed to become members did so not because they were forced to but because they wished to. The love for their sons and the wish to benefit them further were the beacons that safely guided their ship to shore. Against what at the time seemed like odds, they harnessed the current of strife with courage and fortitude and strode forward to victory. The topics discussed during the business section of the meetings held strictly to club matters, but afterwards two out of three conversations overheard were concerned with "their boys."

The club has been very helpful in bringing the parents together and also in interesting them in the social life of the school as its fine programs for Parents' Night testify. The club has also been very beneficial to the institution in raising funds for it when necessary, but not only the school has felt the kind, friendly hands of the mothers, but the Brothers themselves have realized the warmth of friendship by the presents that are derived from the annual party for them.

The card parties, whether they are at the Hotel Sherman or at Leo are always considered a success by all who participate in the events and they unite people of all ages from young children about nine or ten to older people of seventy-nine or eighty.

Each year a Requiem Mass is offered for the deceased members.

FATHERS' CLUB

A few years ago a group of far-sighted, energetic fathers, endowed by their boys with the true Leo spirit, met in the high school auditorium to form a new organization, the Leo Fathers' Club.

Today this organization has grown into virile manhood, and this year more than ever before has contributed vitally to the well-being of the school.

To begin and end their social activities of the past school year the Club held skating parties at the popular Planet Rink. The first was held in early October, and the second about the middle of April. They proved to be highly successful both from the entertainment and financial standpoints.

At the conclusion of the 1940 football season the Chicago Catholic Champs and the Leo Band were guests of honor at a banquet and entertainment given for them by the Fathers' Club in the Grand Ballroom of the Stevens Hotel. Here, amid the sumptuous surroundings of the world's largest hotel, an excellent program of entertainment, which even outdid the brilliant shows of previous years, was presented.

Following a phenomenally successful basketball season in which the heavies won the Championship of Auburn Park, the Catholic Championship of Chicago, and the National Catholic Championship and in which the lights captured the Catholic Championship of Chicago, and the Fenwick Tournament, the Fathers' Club held a great victory banquet at famous Phil Schmidt's. Blending an evening of jolly fun with an excellent cuisine, the Fathers' Club again scored a smash hit.

During the year the Club also staged a "Fathers' and Sons' Night" in the school auditorium, at which time sports movies were shown.

THE 1941 LION STAFF

"THE LION"

A yearly edition of the school's activities drawn up and written in book form by the students under the supervision of Rev. Brother Burke. It is a lasting memory to many boys who have seen their last year in Leo.

In direct contrast to the turmoil in Europe at the present time the theme of this year's book is "Let Freedom Ring." It is dedicated to our principal, Brother O'Ryan, under whom Leo has become one of the outstanding high schools of Chicago.

The staff members have tried to show life at Leo as it is in the religious, athletic and intellectual fields.

This year has been a very successful one at Leo and there are many memories to keep and treasure. Because of conquests and outstanding events at Leo this year's book has an abundance of material and is the best yet put out.

We wish to thank the advertisers, patrons and students for their cooperation in contributing to the success of this year's "Lion."

To the Root Studios whose excellent photography brightens the "Lion," to Clarke-McElroy Publishing Co. for their neat printing, and to the Pontiac Engraving Co. for their fine work, we also tender our appreciation.

"ORIOLE"

Under the careful supervision of Brother Burke, the Oriole, the medium through which the students of Leo are kept informed of the various activities of the school has reached new heights in the past year. The "Oriole" is the school newspaper which is published monthly by the students themselves. The Oriole is becoming more and more popular with the student body. New pages have been added to make it one of the most popular high school newspapers in the city. The paper is always overflowing with interesting, colorful and amusing news and with the addition of juniors and other lower classmen the staff is well manned for each succeeding year.

The Oriole has gained rapidly each succeeding year since its founding, but last year it reached its banner year and should reach even greater heights in the years to come.

True, the Oriole was difficult to put out, proofs had to be read, "dummies" had to be made, stories had to be written and revised over and over again, and the hundred and one other things that go to make up a good newspaper. But the boys have not wasted their hard labor, the paper is well received among all who read it and it is becoming recognized as one of the best school newspapers in the city.

A few years ago, only seniors could be members of the Oriole staff, but recently lower classmen have been permitted to join the staff, and the move was a wise one because previously, when the seniors graduated, a whole new staff had to be organized and they had to start all over again. But now when the seniors graduate, a large portion of the staff is still intact and is able to start out the new year quickly.

The paper has been, in the last few years, a member of the famed Quill and Scroll society.

CONCERT BAND

This year Leo was represented by the greatest band in its history. Under the capable direction of Guido Mattei the band has progressed to such an extent that it is recognized as one of the finest in the city.

During the football season the band played snappy and popular music during the games and displayed well-drilled formations during the half. They deserve a share of the credit for the fine showing of the team during the season.

Again the band was requested to play at the Loyola Tournament and followed the team all the way to the championship. The band numbers over a hundred members and proved to be a very competent organization.

In the band contest during May Leo entered in Class A and won award—Excellent. The members also secured a larger number of medals than ever before. Seventy-seven members of the band entered for the Solo Contests; thirty-three won first place gold medals, 36 won second place silver medals, eight won third place bronze medals. It will lose a large number of players this year by graduation but the incoming freshmen should make up for this.

We believe that music will play an important role at Leo hereafter and we are pleased to see its attraction increasing. Appreciation for good music, if instilled in the boys in their school days, is something they will treasure and will derive much pleasure from throughout their lives. This year, through the untiring efforts of Brother Collins, the band has finally secured full instrumentation, so we trust that soon it shall be the best in the city.

Twin Duet

SCIENCE CLUB

The Science Club, claiming to be the most exclusive of organizations in Leo, had a most enjoyable year. Besides the knowledge of Science the members have acquired, they also enjoyed other activities—outings, parties, field trips to industrial plants, and museums. The members are freshmen who have an honor rating in Science and at the close of the year the club boasted of seventeen members. The club is for students who are interested in Science, to help them obtain more facts and additional knowledge about this intriguing subject. The members elect officers twice a year and appoint a committee which is in charge of the projects undertaken by the club. During the year each member gave a talk on a scientific topic. This is the third year of organization of the club under Rev. Brother Lyons.

Back row (left to right): W. Dwyer, P. Kirk, T. Gibbons, T. McAvoy, D. Spiek.

Front row: R. Walsh, D. Ryan, G. Murphy, T. Stapleton, S. Rinella.

This year of 1940-41 has again seen another remarkable group of plays produced by the Leo High Dramatic Group. Under the capable and outstanding coaching of Rev. Brother McMahon, another to-be-remembered and remarkable year of theatrical achievement is added to the long list of Leo's excellent performances.

As always, in keeping with Leo tradition, the plays that were produced were of the finest obtainable, that the long line of grand, outstanding performances might go unbroken. A combination of most talented acting on the part of the Dramatic Group and painstaking coaching on the part of the Dramatic Coach.

It was on March 17th, St. Patrick's Day, that the Dramatic Group presented its first production to an enthusiastic and responsive audience. In keeping with the spirit of the occasion, two one-act Irish plays were produced. These were true Irish plays which are only produced in this section of the country at Leo. This is the type of play that is used for production by the famous and renowned Abbey players. One might be tempted to believe that our group of amateur thespians aren't so far behind the Abbey group in excellence and remarkable stage presence.

Their excellence lies in the perfect naturalness with which all plays are produced. Each changing mood is represented by a play of expression, whether it be in the eyes, on the face, or in the general attitude and position of the actors.

It is only through much hard work and diligent practice that such wonderful works of dramatic art are produced. Many, many painstaking hours of rehearsal went into making these productions what they were, the polished products of true artists. Much attention is given to the minutest details so that every action will express its message. Nowhere is there to be found a word, movement or expression that does not have its part to play in the completion of the story.

DRAMATICS

Back row: J. Devane, A. O'Connor, J. Sheridan, Ed. Carroll, Wm. Fanning.

Front row: H. Cummings, G. Murphy, B. Hartney, M. Canning, H. Hayes.

As the weeks of the school year come and go, there is a certain group of boys who are daily endeavoring to perfect their agility in some gymnastic drill. Dancing, sceptre swing, ground-tumbling, pyramids—these are the types of drills referred to.

Dancing—Irish folk-dancing is a form of entertainment naturally forthcoming from a school such as Leo, where the spirit of the Old Sod fills the atmosphere. Indeed,

E. Feeney, A. Altenbach, H. Hayes, F. Kiedaish.

E. Bauer, G. Fleming, H. Hayes, J. McGuire.

CALISTHENICS

(Extra pictures on page 102)

Leo lives up to any such expectations, for there is a fine group of dancers at Leo, who would warm the heart of anyone to whom Ireland is dear.

Sceptre swinging is a unique drill in which Leo is justified in taking great pride. Incessant practice is required and that is exactly what these Leo-men have done. The graceful, uniform swinging of the sceptre is a classic example of perfect rhythm and timing.

Ground-tumbling is a daring, thrilling spectacle which is an integral part of the extra-curricular activities of Leo. Very great skill, ease of bearing, and daring proceed from this vigorous exercise. Leo's class of tumblers are well known for their flawless performances.

The building of human pyramids comes to us from ancient peoples of Asia. There are countless different pyramids possible. Leo's class is a credit to the school and to the boys in it.

Although they do not have as much renown as the other major sports, nevertheless, Leo would be at a loss if it did not have classes in these gymnastics. The boys, smaller in stature than major athletes, are here given opportunity to participate in good exercise and to earn their letters.

PART FOUR

FREEDOM IN ACTION

SPORTS

In contrast to the present condition in Europe where young athletes are forced to compete in the field of war, we in America, and especially in Leo, are free to express our competitive urge in a multitude of different activities. We in Leo, besides being able to compete in interscholastic football, basketball, swimming, track and golf, can take part in a vast intramural program in which practically the whole student body participates.

It takes a fine coaching staff to produce good teams. The players have to have fight and courage when prospects appear darkest. The teams have to have a fine student following, so that they may be cheered on in their hard games. When a school is fortunate enough to secure all three factors it is in for a fine season.

Catholic Champions of the Catholic League in football, heavyweight and lightweight Catholic Champions in basketball, and National Champions in basketball. These are the honors heaped upon Leo High School in the greatest year of its existence, 1940-41.

Coach Cronin's football team started the season a question mark and ended up with the best balanced team in the city. The players were light but made up in grit what they lacked in weight. Into this fine crowd of players Coach Cronin instilled all his knowledge of the game and this proved ample enough to win the title.

National Champions of the United States, Vince Dowd's scrappy cagers accomplished a life-long ambition by succeeding in their fifth quest for the title. The Championship was made possible only by the never-say-die spirit of the team that refused to be beaten. The lightweights amassed the astonishing record of winning the Championship without the loss of a single game all season.

Rev. Br. J. F. Hamill, athletic director, also deserves praise for the commendable job he turned in with the players. He did all that was to be done in a quiet, efficient manner which was amazing.

Bro. Finch and Bro. Terry also deserve credit for the fine work done by the swimming and track teams, which also seem headed for a great year.

Standing: Rev. Bro. J. F. Hamill, Athletic Director; Prof. V. Dowd, Head Basketball Coach.

Seated: Mr. E. Johnson, Assistant Coach Football; Mr. A. Cronin, Head Coach Football.

THE FOOTBALL SEASON—1940

Answering the call for the 1940 spring practice Coach Whitey Cronin and his Assistants saw a typical group of Leo footballers, in the neighborhood of 70, all of which composed at the time an ordinary spring turnout. After spring and early fall practice, Whitey had a fairly definite idea on the makeup of his team and the prospect was none too encouraging. The team stacked up to be fairly good but not dependable because of inexperience and lightness. The quick development of this team to the Catholic city championship is one of the truly remarkable events of the sport year and reflects equally on the coaches and the team.

In the line there were the hard-tackling Captain "Skip" Carroll and "Slip" Madigan at the tackles with Gallagher a very capable reserve. At center position Dan O'Shea and Scharr were slated to uphold a Leo tradition for great centers gained for the play of former Leoites, Don Parro and Ed Corrigan. The guards promised to be strong with Lauro and "Gie" Trant in these positions. The end position was the best of all for quality and reserves. Larry Spillan and Bob Quinn were in most of the time while Tony Naugzemis, fleet Joe Kunka and "Chuck" Kordick formed a trio of excellent reserves.

From the beginning the backfield was the big question mark. Bob Richter, the super-blocking halfback, and the versatile "Babe" Baranowski were considered as dependable but the other positions were to be manned by sophomores. This question was solved by the capable play of Bob Hanlon and Tom McDonald at the halves and with Bob Kelly and Ed McMahon consistently smashing through the opposing lines.

The managerial situation though not generally mentioned in a season resumé, was capably handled by seniors "Clark" Shindler and Fred Koestner, assisted by two lower classmen, John Collins and Bob Danaher.

As a team the Lions played sensationally all season with "Babe" Baranowski, the spark plug, "Skip" Carroll, the captain, and Bob Richter, later elected most valuable player by his team-mates, being the leading lights of a great championship team.

THE LIONS CATHOLIC CHAMPS

CHAMPIONSHIP GAME

The Leo Lions came to Soldiers' Field boasting the best defensive record in the State, having been scored on but once.

The De Paul Demons with their two stand-outs, Jacobowski and Freewalt, were confident that they could roll Leo under as they had all North Section foes.

The first half was hard fought with neither side being able to score until late in the second quarter, then De Paul scored on a fifty yard pass over the line.

The Lions took the ball in the first minute of the second half and made a series of first downs only to be forced to kick. That kick proved to be the break of the game for which Leo was playing. The De Paul safety-man fumbled the ball and it was recovered by Frank Lauro. From this point Leo went the remaining 20 yards to a touchdown. Baranowski became the hero of the day when he kicked the extra point. This point was the margin that again proved the Leo Lions the best of the Catholic League football teams. The score was 7-6 for Leo.

At the City Finals

SUMMARY OF THE GAMES

The Lions began the schedule with a practice game against Messmer of Milwaukee. With extraordinary punting, a fast charging line, and precision blocking Leo was able to beat Messmer to the tune of 40-0.

Next came Catholic Central from Hammond, who put up a strong fight but dropped to their knees to the score of 13-0.

Leo opened the official season against De La Salle. The Meteors scored first in the third quarter but failed to make the placement. Leo drove back and scored but also failed to make the kick. The game ended in a tie.

After their tie with De La Salle Leo was determined to stop Fenwick. The Friars fought determinedly but failed to stop Baronowski's brilliant runs and the team's clocklike precision, and were hurled back to a 20-0 defeat.

The Mercy tilt was the Lions next encounter. Playing against a much bigger team such as Rita did not stop the Orange & Black. In a thrilling and tough game the Leo squad triumphed 7-0.

Leo traveled out to Loyola for the next game. The squad really turned on the power and walked away with an easy 31 to 0 victory.

Mt. Carmel came next to provide the most thrilling game of the season. The score came in the third quarter when Baronowski threw a 25 yd. pass to Bob Kelly good to Carmel's 4 yd. stripe. Kelly then plunged over for the lone score, 6-0.

The outcome gave the Lions a record of 7 victories in history over Carmel and 5 for the Caravan.

The Leo Lions rolling toward a Catholic Championship punched out a 10 to 0 intersectional triumph over a gang of bulky Joliet boys, who put up a stubborn defense but were unable to kindle an offensive spark. By winning this game Leo won the South Section Championship with a convincing demonstration of good sound football. It was the Lions' fifth sectional triumph.

THE LIONS IN ACTION . . .

LIGHTWEIGHT FOOTBALL

Searching for new fields to conquer, Vince Dowd this year undertook the difficult task of fashioning a football team from a large group of enthusiastic lower-classmen. Working efficiently, he soon had a team ready to take the field in a regular game.

The first game scheduled was against a prairie team, the Alderman Murphy's, whose roster consisted of several Leo men. Both teams showed good offenses and excellent defenses for so early in the season. The game ended in a six-all deadlock. In the next game the lights showed a definite improvement over their last game's performance, trouncing Morgan Park 12 to 6.

The St. Elizabeth game, which Leo lost 13-12, was evenly contested but our team showed continued inability to kick those points-after-touchdown.

In their fourth game the lights hit their season's height in smothering St. Rita's lights, 21-6. The team consistently outplayed the Ritans and also kicked all extra points.

Mt. Carmel came over and gave our boys their second defeat of the season. The final score was 21-14 after a series of hard breaks had stopped several Lion advances.

The lights ended their season with a .500 batting average by tying St. Ignatius 12-12.

Leo fans can certainly expect good football teams for several years, judging by the performance of this year's lightweight team.

SEASON HIGHLIGHTS

HEAVYWEIGHT BASKETBALL SEASON

The Heavies lost only two games all season, both by two points.

Leo finally defeated the Fort Wayne jinx, beating them twice.

Captain Jim Farrell and Capt.-Elect Babe Baranowski were named to both the All-City and All-National teams.

The play of the following players was responsible for the team's amazing record. Capt. Jim Farrell, his excellent floor work and close guarding saved many a game for Leo. Frank Kelly, his all-around shooting ability plus his clever faking helped the team immensely. Bill Lundy, his one handed hook shots and clever feeding made the score mount quickly. Junie Creighton, his slick dribbling and arching longshots gave Leo its powerful offense. Bob Baggott, his controlling of rebounds and tip-in shots made him a fine pivot man. Babe Baranowski, his left-handed hooks and fast break made him a fine reliefer.

The remainder of the team deserve a hand for the fine work they did during the season.

ON THE COURT

The 1940-41 basketball team was without a doubt the most brilliant in the history of the school. They not only won the Catholic Championship but emerged from the Loyola Tournament as the Catholic High School Champs of the United States.

Playing twelve pre-season games Leo won eleven, dropping a game to Quigley.

FIRST ROUND

The first game of the season was against the Fenwick "Friars." The Lions emerged victorious with the score 48 to 26.

St. Rita lost to our quintet in the next encounter 42 to 29.

De LaSalle, boasting of a powerful team, was next to meet the Lions. They dropped to the tune of 42 to 29.

Loyola was Leo's next league victim. The Lions took command from the start and conquered them 30 to 26.

Leo invaded Joliet and after a rough and tumble game the Lions downed them 46 to 33.

The main game of the first round was with our arch-rival, Carmel. They did not give our quintet much trouble and Leo stopped them 44 to 30.

SECOND ROUND

The Leo Lions continued to march to their second straight league title by defeating Fenwick 24 to 15.

St. Rita was determined to stop the Lion's fast breaking quintet. Leo fought hard throughout the game and won 29 to 25.

De LaSalle was next to be marked down on the Lion's victory column with the score of 43 to 38.

Loyola upset the Leo five for the first time in league competition 34 to 32, in a thrilling and hard-fought game.

Leo was determined not to be stopped and added Joliet and Carmel to the list of the defeated to the scores of 53 to 43 and 46 to 36 respectively.

CHAMPIONSHIP GAME

CHICAGO CATHOLIC CHAMPIONS

The game between St. George and Leo drew a packed house at the De LaSalle gym.

Leo, South Section Champs who breezed through league competition, were heavy favorites to gain their second straight title.

The first quarter ended with Leo on the short end of a 7 to 6 count.

Leo's fast break began to click and the St. George five couldn't keep pace with the Lion's whirlwind attack. Leo led at the half 21-12.

The Lions started right in where they left off, running the Dragons off their feet. The third period ended with Leo way out in front 36-20.

Leo was content with their lead and held St. George to one basket during the whole fourth period.

The game ended with Leo victors by a score of 40 to 22 and still Catholic Champs of Chicago.

LEO WINS NATIONAL CHAMPIONSHIP

Climaxing their most successful season, the Leo basketball team won the annual national Catholic prep basketball tournament. Leo was installed as the favorite and lived up to their clippings. This was the fifth tournament for Leo and it proved to be the charm. The team went out to Loyola and proved itself to be the class of the land.

The first game was with Northeast Catholic of Philadelphia and Leo romped home to the tune of 57 to 23. St. Joseph of Paterson, N. J., was the next victim, 43 to 25, followed by St. Mary's of Lynn, Mass., which succumbed to the tune of 50 to 32. Then came the Fort Wayne jinx which worked for the greater part of the evening but soon disappeared. A last minute basket by Baranowski won the game for Leo, 28 to 27, and thus gave Leo the right to enter the finals.

St. Francis Mission from South Dakota presented a team which had four starters over six feet tall. The Indians jumped off to a flying start, sinking every shot imaginable and assuming a lead of 22 to 7 just before the end of the half. Leo started to click then and trailed at the intermission 24 to 15. Leo started immediately and with three minutes to go led 40 to 35 but the Indians rallied to tie the score at 41-41 at the whistle.

In the overtime Leo made eight points while holding the Indians scoreless, and so Leo was crowned Champions. Capt. Farrell and Baranowski were named to the all-tournament team in recognition of their fine performances during the tournament, and thus ended a perfect season.

LIGHTWEIGHT BASKETBALL TEAM

LIGHTWEIGHT BASKETBALL

Leo's lightweight team this year accumulated their greatest record in the school's history. In succession the Fenwick tournament championship, the section championship and Catholic city championship fell to them in their unbroken victory march.

During the pre-season games the lights showed promise of their future achievements by smashing St. Michael, St. Columbanus, St. Philips (twice), Calumet, Morgan Park and Fenger. Also in the pre-season Leo romped through the Fenwick tournament, beating Weber 28 to 20, Joliet 46 to 14, St. Patrick 34 to 26, and St. Michael 53 to 34.

During the regular season the lights had no trouble except from our old rivals, Mount Carmel. In the first game against the Caravan, Leo trailed by seven points going into the last quarter. With a great rally they tied up the score and then in an exciting overtime won 37 to 35. The next Carmel game was for the section title and though at times the pace grew hot the Caravan never showed the class needed to win.

After winning the section title our lights traveled to the De LaSalle gym to meet De Paul for the city title. This game proved to be no contest. The De Paul team showed no ability except in wasting time by infinite dribbling back and forth.

This year's lightweight basketball team, with O'Halloran, Jack Dunne, Ray Egan, Captain Iggy Richards and Tommy Ruane pacing it, is the best in Leo's history and probably the best in the league history.

CATHOLIC JUNIOR TITLE

The Leo quintet, victor of the South Side, met the De Paul Demons from the North Side at the De La Salle gym for the Lightweight Championship of Chicago.

The first quarter ended with Leo out in front 8 to 3. The Demons couldn't check the fast break that Leo had down to perfection.

In the second period the Lions scored again on two baskets by Jim O'Halloran and one by Jack Dunne. The half ended with Leo ahead 15 to 10.

De Paul found it hard to penetrate the Lion's brilliant defense and were unable to run up a high score.

The third period saw Leo's points being scored by Jack Dunne on three baskets and by Jim O'Halloran's and Tom Ruane's baskets.

In the final period the squad's determination drove them to the Championship without dropping a game all season. The final score was 36 to 20.

Congratulations to the whole lightweight squad on the fine showing they made throughout the season and their wonderful fighting spirit which brought Leo a double championship, the first in the history of the league.

RESERVE, BANTAM AND INTRAMURAL BASKETBALL

THE BANTAMS

Ably coached by Brother Finch the Bantams marched through a stiff schedule with Catholic league and outsider teams. At the outcome of the season the Bantams were found to have won 26 games while dropping but 4. This fact is found to be most remarkable when one considers that this is the first year of Bro. Finch's coaching a cage team.

The outstanding players during the season were E. Fitzpatrick, J. Kelly and T. McGrath.

The Leo Intra-mural Program starts with the opening days of school and terminates at its close. The chief activity is basketball and many players develop and improve to such an extent that they later play on the school teams.

However, the prime motive of this program is to aid in the physical development of every student. It is restricted to those boys who do not represent the school in other sports, thus giving the boy a chance to earn his school letter.

This year after a Round Robin series which produced many hectic games the class winners were:
Heavies—1F, 2A, 3F, 4B.

Lights—1E, 2B, 3A, 4E.

In the inter-class playoffs 1F defeated 2A, 4B defeated 3F, and 4B then won the Heavyweight title by defeating 1F by score of 25-24. In the lightweight division 2B defeated 1E and 4E defeated 3A. In the finals 4E defeated 2B by three points to win the title.

In the lower division the 1F Heavies and the 2B Lights were recipients of the James J. Doody awards. In the upper division the 4B Heavies and the 4E Lights received school monograms emblematic of the Intramural Championship.

Those selected on the all-star team were:

Heavies: Forwards—J. Loughlin 4B, J. Scott 4B; Center J. Glynn 3C; and Guards C. Buckley 3D, W. Sullivan 2E, and R. Cruse 1E.

Lights: Forwards T. Delaney 4E, J. Doody 4E; Center T. Kelyusiff 3D; Guards G. Schroeder 3A, W. Craven 2D, and J. Cotter 1A.

WINNERS OF FENWICK LIGHTWEIGHT TOURNAMENT

First row (left to right): V. Haughey, T. Ruane, I. Richards (Capt.), J. Schaller, M. Kenny, Bro. Finch (Coach).

Second row: R. Egan, J. O'Halloran, W. Rowan, W. Brennan, R. Jacobs, J. Dunne.

THE RESERVES

Under the capable handling of Bro. Finch the Reserves, composed of underclassmen, whisked through a schedule of 18 games. The outcome of their season was 14 won and 4 lost, a very adequate showing. The schools who fell to the Reserves' prowess were our great rivals, Mt. Carmel, St. Rita, De LaSalle and St. George.

The standout players on this team were D. Murphy, D. Broderick and M. McLaughlin.

SENIOR SWIMMING

JUNIOR SWIMMING

SWIMMING

The swimming team completed a successful season by taking third place in the Catholic Swimming Meet. This year the meet was held at Loyola. The Leo team fought valiantly but was nosed out by Fenwick and Loyola who were first and second respectively. In the meet our freestyle relay team, composed of R. Forst, T. Godvin, T. Gary, and E. Sweeney, took third place honors. Members of the freestyle team were also awarded third place medals. The medley team was composed of T. McCaughey, backstroke, J. Glynn, breaststroke, and F. Hartman, freestyle. Both relay teams will remain almost the same next year, the medley team will lose Forst in graduation, but the freestyle team will remain much the same. T. Godvin also aided the Leo cause in the Catholic Meet by taking third place in the fifty yard backstroke.

The placing in the Catholic Meet can describe the improvement of the team better than any number of words, for in this meet the Leo swimmers went into competition with all the Catholic swimming teams in the city.

Most of the major letter winners will return to school next year giving Leo excellent chances in competition next year. Those letter men returning will find themselves well backed by members of the junior team who have shown rapid improvement, eagerness to learn and the will to win. Combining this with the excellent coaching that Brother Terry has proved he can give, the outlook for the future swimming teams of Leo is very bright.

The juniors have not been entered into competition as a team, but individuals were entered in competition in the preliminary meets, which were held with several of the South Side high schools, and some of them placed in these meets showing that they were rapidly improving.

Outstanding hope for next year's team are T. Galvin and H. McCaughey in the backstroke. J. Glynn and E. Sweeney in the breaststroke with F. Hartman, R. Hasler, T. Gary, J. Dineen as freestylist.

SENIOR SWIMMING TEAM

First row (left to right): M. Murphy, T. McCaughey, J. King, J. Hozzian, T. Godvin, R. Forst, J. Glynn.

Second row: J. Dilger (Mgr.), J. O'Leary, J. Fox, F. Hartman, R. Hassler, T. Garry, E. Sweeney.

JUNIOR SWIMMING TEAM

First row (left to right): W. O'Connell, J. O'Brien, R. Laspisa.

Second row: J. Dineen, D. Coughlan, T. Conway, F. Pratt, W. Smith, R. Murray, T. Curley.

Third row: R. Selvage, G. McAlpin, T. Corcoran, T. Kelly (Mgr.), A. Waldron, R. Parro, Lamkin.

*Front (left to right): G. Kollman, J. Kunka.
Rear: D. Broderick, B. Carroll, F. McCann.*

Front row (left to right): D. Broderick, G. Kollman, J. Kunka.

Rear row: B. Carroll, F. McCann, D. Murphy.

Front row (left to right): R. Fleming, J. Wilkins, B. Fanning, M. Frestel, G. Hartman, C. Gordon, D. Van Arkle.

Rear row: J. Gallagher, (Mgr.), R. Fovell, J. Gallagher, D. Murphy, R. Selvage, J. Markey.

Front row (left to right): G. Kollman, G. Fleming, J. Glynn, W. Madlener, F. Hartman, D. O'Shea.

Second row: R. Walsh, J. McCanna, J. Kunka, J. Meenahan, A. Wilhelm, J. Higgins.

Rear row: J. Gallagher (Mgr.), T. Carr, P. La Mantia, T. Downes, F. McCann, B. Carroll, T. Kilgariff.

*Front (left to right): G. Kollman, J. Kunka.
Rear: D. Broderick, B. Carroll, F. McCann.*

LEO TRACK TEAMS

On March 22nd in the Daily News Relays at the International Amphitheater, Leo's Relay Team flashed to a new record for city high schools. Sparked by Kunka, Kollman, Broderick and D. Van Arkle, the team broke the record and won the race as a dark horse favorite. In the preceding race, Du Sable broke the meet record, only to have the lads from Leo repeat the feat. St. Ignatius came in second, followed by St. George and Loyola, respectively. Each member of the team was presented with a gold medal, emblematic of victory.

REGULAR TRACK SEASON

Practice was called on April 28th under the supervision of Rev. Brother Terry, who very capably handled the track team last season. Under Brother Terry's guidance the Track team of 1940 ranked second in the Catholic League Meet. Stan Patrick, now at Santa Clara, won the broad jump and the high jump events. Joe Kunka, this year's captain, won the 440 yard event. Other medalists in the meet were G. Kollman and J. Higgins.

This year's prospects look bright due to the accomplishment of the relay team, and the returning veterans of last year.

1941 TRACK SCHEDULE

May 17—Illinois State Catholic Relays, Stagg Field.

May 22—St. Ignatius, Douglas Park.

May 24—St. Rita-Loyola-Leo, Loyola Field.

May 30 & 31—Catholic League Junior Finals, Riis Park.

June 7 & 8—Catholic League Senior Finals, Stagg Field.

Meets with Parker, Calumet, and Morgan Park Military Academy are pending.
